

Cookie Policy

Europcar International Cookie Policy

1. What is a cookie?

Cookies and other similar technologies (SDK, third party call, etc) are traces stored on your device when you visit our website (the "Cookies").

Europcar International S.A.S.U., whose registered office is located at 13 ter Boulevard Berthier 75017 Paris, France, collects information on your device by using cookies and similar technologies. The terms "Europcar", "we", "us" or "our" used in this policy refer to Europcar International S.A.S.U.

This policy (the "Cookie Policy") describes the different types of cookies or other similar technologies used on this website.

This **Cookie Policy** completes and should be read in conjunction with the [Privacy Policy](#).

2. What types of cookies do we use?

We use different types of cookies for the following purposes:

Necessary:

- To enable the proper functioning of the website.

Marketing:

- To identify you across different websites.
- Showing relevant ads based on your interests.

Statistics:

- Measure the volume of the website's audience, anonymously.
- Analyze your browsing habits.
- Identify site malfunctions (bugs).
- Example: Google Analytics.

3. How long do we keep cookies?

We use both "persistent" and "session" cookies:

Persistent cookies are cookies that are stored on your device from visit to visit, until they expire or you request their deletion ;

Session cookies are cookies that are temporarily stored on your device and then automatically deleted.

4. Is information collected through the use of cookies transferred outside the EU?

We would like to draw your attention to the fact that information collected through the use of certain cookies may be transferred outside the EU. This is because some cookie vendors maintain servers

around the world in order to provide a better quality of service. We encourage you to review the privacy policies of these vendors to better understand the rules that apply to the transfer of your information.

5. List of the cookies

Type of cookie	Name of cookie	Cookie vendor	Description/Purpose of
Necessary	auth.strategy	nuxtJS	This cookie is necessary to log on to our website.
	EuropcarLocale	Europcar Mobility Group	This cookie is used to store the display language for your session.

6. SDK

When using the Europcar application, SDKs (Software Development Kits) are used to make it work.

The SDKs we use on the application are the following:

Appsflyer SDK: This SDK is used to measure the performance of the application and to analyze online acquisition campaigns. You can disable this data processing at any time via <https://appsflyer.com/optout>. You will need to pass on the IDFA of your mobile device in order to deactivate the processing.

Salesforce SDK: This SDK allows you to manage the sending of notifications to your phone in order to inform you of the confirmation of your vehicle or to be alerted about current offers. You can disable notifications directly in your phone settings.

Content Square SDK: This SDK allows us to analyze your behavior on our applications and thus improve the content and the user experience on the application.

Firebase SDK: This SDK hosts our application.

7. Third party calls

Type of third party call	Name of the third party call	Third party call vendor	Description / Purpose of the third party call	Duration	Transfers of data outside the EU ?

8. How to manage your cookies ?

You can activate or deactivate the use of cookies and request their deletion by clicking [here](#).

You have data protection rights regarding the processing of your personal data, including with respect to cookies (e.g., a right of access, rectification, suspension). You can easily accept or decline their use by selecting the appropriate options in the privacy center. You can also withdraw your consent and request the deletion of this information at any time.

You can learn more about these rights by reading the privacy policy.

You can also manage your cookie settings in your web browser.

9. Who to contact if you have a question about the use of the cookies?

If you have any questions about the use of cookies, please contact dpo@europcar.com

10. Changes of this cookie policy

This cookie policy was last modified on April 5th 2023. We reserve the right to change this cookie policy at any time.
