

Terms and Conditions Online Booking

We ask you to read our Online Booking Terms and Conditions as well as our General Rental Terms as you will be asked to confirm that you have read and understood these before your booking can be confirmed. If this is your first rental experience with Europcar we recommend that you read our Car Rental Guide and associated links for more detailed information. If you intend to rent in a new country of destination please look at the Specific Rental Terms for that country. Following these guidelines will help you to: understand what you can expect from us; get the key information that will help you to organise your rental and trip; understand what we need from you in order to complete your booking successfully.

I. Online Booking Process

The following are the main steps to making an online booking:

(i) First Step: Selection of the service

Enter your rental criteria in the online booking form including rental dates, rental locations and choice of vehicle.

(ii) Second Step : Europcar' s offer

Based on the criteria you provide, Europcar will provide you with an offer matching your needs in the form of a detailed recapitulation. The 'offer' is legally defined as: - a service which includes a selected vehicle category available for a chosen duration with selected options (if any) - a rate which can be either a prepaid rate or a pay on arrival rate - some terms and conditions.

(iii) Third Step : Acceptance of the offer

You will be asked to accept the Europcar offer.

(iv) Fourth Step : Confirmation

You will then be asked to confirm this acceptance.

(v) Fifth Step : Europcar notification

Europcar will send you confirmation including the reservation number. The confirmation notice will include the details of your reservation.

II. Confirmation of Reservation by Europcar

At the end of the booking process you will be taken to the "Reservation Confirmation" page; the reservation number will be highlighted. You will also receive a confirmation email containing the details of your reservation. Please print these and keep them for your records.

III. Reservation Details

Booking Date:

- we can accept bookings for same-day rental with up to 2 hours advance notice; - we can accept bookings for rental made up to 15 months in advance.

Minimum Rental Duration:

- The minimum rental period is 1 day (exceptional hourly rentals may be available in select stations). 1 day is interpreted as a period of 24 hours. Vehicle collection and return is included within this 24 hour period.
- Rentals of less than 24 hours will be charged a full day's rate except in select locations where hourly rentals are available. Certain vouchers and promotional rates require a specific minimum to qualify. Please consult the terms and conditions for the promotion or voucher in question.

Maximum Rental Duration :

- we can accept bookings for a maximum rental duration of 12 months.

IV. Rates

Your Europcar rental quote takes into account all mandatory charges corresponding to your reservation criteria. This quote generally includes the following items:

- Value Added Tax or any other local tax - Unlimited Mileage, or if this is not the case, the clear number of kilometres/miles included, with the cost of each extra kilometre/mile - Premium station surcharge - Road tax and licence fee surcharge - Third party liability insurance - Collision Damage Waiver ("CDW") - Theft Waiver ("TW") CDW and TW may be merged together in Loss Damage Waiver ("LDW") in some countries. An excess amount displayed at time of reservation indicates the maximum amount of money you are liable for in the event of damage to or theft of the vehicle. This excess amount may be waived in some countries by purchasing optional additional protection at time of rental.

The list of these charges are printed on the reservation confirmation

The rates are guaranteed for the rental associated to the confirmed booking.

Additional charges to your basic rental rate may include:

- Additional Driver charge: when there is more than one driver associated with a rental, the second, or subsequent, driver is referred to as the additional driver. There may be a charge applied for each, or all, additional drivers.
- Young driver surcharge: see our section [Specific Conditions for Switzerland](#).
- Premium Location / Airport / Railway Service Charge: an additional charge which applies at certain central-city, airport, or railway locations
- Any additional equipment: please review our section Special Car Equipment
- After hour service: If you pick up or return the car outside the normal opening hours, some countries may bill "after hours service". Please check at reservation and/or check out time.
- Full tank option: in some countries, you have the choice of pre-paying your refuelling service.
- Damages & Theft: up to the limit of the waiver excess if this protection has been subscribed to, otherwise up to the limit of the vehicle's value.

V. Payment / Means of payment / Deposit terms and conditions

A. Payment

"Book and Pay now" - On line booking - Prepayment (payment at the time of booking):

When opting for "prepaid rate(s)" online, payment of the full estimated amount will be required at time of booking.

"Book and Pay at station" - Payment at station

Certain credit card companies may not be represented in the country where the rental takes place. We recommend that customers verify the credit card acceptance rules in the "Europcar Specific Terms Per Country of Rental" in advance.

B. Means of payment

Payment can be made using the following means of payment:

- Credit card(s):

Credit cards usually accepted within Europcar are "American Express", "Diners Club", "Mastercard" and "Visa"

Warning

Payment using credit(s) card(s) is (are) accepted in accordance with the limits authorised by your credit card issuer;

The credit card holder (in case of a prepaid booking) must be identified as the renter (the "Main driver" to be mentioned on the rental agreement). Such person must present his/her credit card (identified with the same name) at time of "Check Out".

- Debit card(s):

Debit card(s), that are not associated to a bank account, are NOT accepted at time of booking or at the time of rental except:

- "Maestro" cards issued by UK banks and for customers renting in the UK, and
- "Visa Electron" card(s) that are accepted for online payment on some rental destinations.

Warning: Customers who do not possess any other credit card in addition to the debit card must ensure their account holds sufficient funds for the deposit to be charged at "Check-out".

- Cash/cheque:

Payments in cash or by cheque can only be made:

- for domestic rental;
- for rentals of vehicles classified as "Lowest categories" (such as: "Mini" or "Economy").

Payments in cash or by cheque are furthermore subject to:

- additional references;
- maximum ceiling amount;

as set forth in the relevant "Europcar Specific Terms Per Country of Rental" (please see the relevant "Europcar Specific Terms Per Country of Rental").

C. Deposit - Transaction authorisation

During the rental

At time of "Check-out":

At time of "Check-out" - after confirmation or amendment of the booking details with the customer -

Europcar estimates the amount required for authorisation and requests an electronic authorisation from the card holder's issuing bank (the "Deposit").

The authorisation procedure allows Europcar to assess the final transaction amount and receive the protection of an authorisation before the start of the rental period. It confirms that the card holder's bank account is valid and within the available spending limit.

Warning: Amount of deposit depends on the local policy of the "Check out" station(s) and may vary from one country to another (it is strongly recommended that customers consult the relevant "Europcar Specific Terms Per Country of Rental"). From a general perspective it may be underlined that:

- The amount of deposit usually covers:
- the vehicle rental agreement period ;
- the vehicle rental rate per day including tax;
- possible mileage charges;
- additional equipment(s) and services customer has selected.
- The amount of deposit stays valid for the length of the rental agreement period. For rental agreements longer than thirty (30) days, a new estimated authorisation for each periodic amount is requested by Europcar from the card holder's bank account

The amount of deposit subject to authorisation is expressly mentioned on the rental agreement.

At time of "Check-in":

If the final charged amount for the car rental services rendered is below the authorisation amount at time of "check-out" then an additional authorisation shall be requested to cover the amount due.

VI. Qualification at time of rental: Documentation & age limit

For important information concerning age limits, driving licences and other requested documents, please read our [General Rental Terms](#) and [Specificity per country](#).

VII. Changes to booking: Modification/Cancellation Policy

You can modify your booking, free of charge, provided you let Europcar know at least 48 hours before the rental is due to start. Please be aware that new rental prices may apply if you modify your booking and you should use the same communication channel that you have used.

You can cancel your booking free of charge, provided you let Europcar know at least 48 hours before the rental is due to start. If you cancel giving Europcar less than 48 hours notice, a Cancellation fee will be charged according to country of pick-up (Switzerland CHF 75.-, other countries please refer to the Terms & Conditions of the pick-up country). The amount of this fee shall not exceed the price of your booking if it is lower. The fee will be deducted from the means of payment you have provided.

In the case of a prepaid booking, the prepaid amount will be refunded less the Cancellation fee.

In the case of a "pay on arrival" booking, the Cancellation fee will be deducted from the means of payment you have provided.

In the absence of any payment details provided, you remain liable for the Cancellation fee.

VIII. Guaranteed reservation Policy

The Europcar rental location (pick up station) is required to provide, within a given "guaranteed period" as defined below, the requested vehicle category as confirmed at the time of booking, subject to the renter meeting rental requirements.

If the vehicle category cannot be provided during this "guaranteed period", alternative solutions will be proposed at no additional cost to you, within one hour of arrival.

8.1 No Credit Card Details Provided - One Hour Guarantee:

If at the time of booking you did not specify your debit, credit or charge card details, Europcar is committed to guarantee your reservation for one (1) hour after the due pick up time.

Europcar will endeavour to provide the requested car category after the one hour guarantee period and until the reservation is listed as a "no-show" (at the closing time of the rental pick up station). If this is not possible, an alternative will be presented to you and, if you agree, another car category will be proposed and charged (new rates may apply), subject to you meeting the rental requirements.

8.2 Credit Card Details Provided - Guaranteed Reservation Hold:

If you specified at time of booking your debit, credit or charge card details and Driver ID (or your Driver ID only in which card details are stored) the Europcar pick up station is required to provide the requested vehicle category until the station closure or up to 12:00 (noon) the day following the due pick up time for 24/7 stations. In case you fail to collect the vehicle during the guarantee period, a no-show fee may be applied. (Please refer to the "No-Show" fee paragraph IX).

8.3 Flight / Train delay

At airport and railway rental stations, the reservation is guaranteed for one (1) hour after the actual flight/train arrival time if the reservation has been quoted with a flight or train number.

In the event of a flight/train delay beyond the guaranteed period, we serve up to 1h after the actual time of arrival, and at some airport /railway rental stations may remain open up to a maximum of 2 hours after the normal closing time. In such a case, an after-hours charge may apply.

IX. Failure to collect the vehicle - "No Show" fee

If you did not cancel your booking and fail to collect the vehicle at the due pick-up date and time a No Show fee will be charged according to country of pick-up (Switzerland CHF 250.-, other countries please refer to the Terms & Conditions of the pick-up country). The amount of this fee shall not exceed the price of your booking if it is lower. The fee will be deducted from the means of payment you have provided.

In the case of a prepaid booking, the prepaid amount will be refunded less the No Show fee.

In the case of a "pay on arrival" booking, the No Show fee will be deducted from the means of payment you have provided.

In the absence of any payment details provided, you remain liable for the No Show fee.

X. Failure to deliver the vehicle during the Guaranteed period

If the vehicle category cannot be provided during the Guaranteed period Europcar will offer you:

- An upgrade at no additional cost; OR - A downgrade (at the relevant category price) and compensation (such as an upgrade voucher for a future rental).

In cases where neither the upgrade nor downgrade offered are acceptable, and no vehicle of the reserved category is available within 1-hour of the due check-out time, Europcar will propose you the following alternative at no additional cost:

- Organise transport to the nearest alternative Europcar rental location (limit 50km); OR - Rent a vehicle with another company located in proximity to the Europcar rental location

In cases where regulation imposes a penalty to be paid to you by the failing renting station, the failing renting station shall act as the regulation requires.

XI. Force Majeure

For the purpose of this section, a case of Force Majeure means any delay or hindrance due to war and other hostilities, civil commotion, accident, trade disputes, embargoes or government restrictions of imports or exports or any other cause or circumstance beyond your reasonable (direct or indirect) control. No fee will be applied in the even of a cancellation of the booking of failure to pick-up the vehicle due to a case of Force Majeure.

Please note that strikes, delays or cancellations of your means of transport (train, plane, etc.) are not considered events of Force Majeure and do not exempt you from additional costs for cancellation or no show.

XII. Liability - Applicable Law Competent court

Some jurisdictions do not allow the exclusion of certain warranties or the limitation or exclusion of liability for incidental or consequential damages. Accordingly, some of the above limitations set out in this article may not apply. In particular, nothing in these terms and conditions will affect the statutory rights of any consumer or exclude or restrict any liability for death or personal injury arising from the negligence or fraud of Europcar. You expressly acknowledge and agree that Europcar, its officers, directors, employees will not be liable for any direct, indirect, incidental, special, consequential or exemplary damages, including but not limited to: damages for loss of profits, goodwill, use, data or other intangible losses (even if Europcar has been advised of the possibility of such damages), resulting from the online booking.
