## General Terms and Conditions of Business of Migrol AG for the use of the Migrolcard

March 2013 Edition

1. The Migrolcard is issued by Migrol AG, Badenerstrasse 569, 8048 Zurich, to customers (cardholders) in accordance with an approved card application, incl. the «General Terms and Conditions of Business of Migrol AG for the use of the Migrolcard». It enables the cardholder to make cashless purchases of fuels and other products and services at Migrol petrol stations and other sales outlets specified by Migrol AG throughout Switzerland and in the Principality of Liechtenstein. Excluded from this are withdrawals of cash and purchase of vouchers as well as car purchases. Each Migrolcard issued remains the property of the card issuer.

2. The Migrolcard Center, P.O. Box 4, 8305 Dietlikon, carries out card issuance and invoicing on behalf of and in the name of Migrol AG.

3. By using the Migrolcard and its PIN code, the cardholder acknowledges the correctness of the individual purchase as well as his/her corresponding payment obligation towards Migrol AG.

4. Migrol AG charges fees according to the currently valid list of fees. The customer can obtain this at any time at the Migrolcard Center or view it at [www.migrol.ch](http://www.migrol.ch).

5. Every cardholder receives a monthly invoice – around the middle of the month following the accounting month. The corresponding amount invoiced is payable without deduction by the end of the month. If the invoiced amount is not received in full by the next account closing date (at the respective month end), the Migrolcard Center shall be entitled to charge late-payment interest on the basis of the outstanding amount, incl. fees, as from the date of the invoice. A fee is charged for issuing invoices. Claims concerning the correctness of the invoicing need to be made in writing to the Migrolcard Center within 20 days after receipt of the monthly invoice – otherwise the monthly invoice shall be deemed accepted. Claims due to defective services or goods supplied are to be made by the cardholder exclusively at the respective retail outlet. The existence of such disputes does not release the customer from the obligation to pay the full amount of the relevant monthly invoice to Migrol AG. The cardholder is not entitled to make any claims for compensation for damage as a result of technical faults or operational breakdowns that prevent the use of the Migrolcard, or as a result of the card being retained. Furthermore, Migrol AG is entitled to request and use appropriate securities from the customer at any time, and to pass on the claim to third parties for collection. Any third party processing fees incurred by the cardholder shall be borne by him/her.

6. The cardholder shall be deemed its lawful holder. **The theft or any other loss of a Migrolcard is to be reported to the Migrolcard Center (Migrolcard Center, P.O. Box 4, 8305 Dietlikon, Tel. 0844 03 03 03, e-mail: [cardcenter@migrol.ch](mailto:cardcenter@migrol.ch)) immediately by telephone and thereafter confirmed in writing.** The registered cardholder of the Migrolcard is personally responsible for keeping the PIN code secret, and shall bear sole liability for any improper use of the card until notification of the loss has been confirmed in writing. The PIN code is sent to the customer under separate cover, and should not be kept together with the card.

7. Any changes of name and address, as well as any changes in post bank or bank details (if the monthly invoice is paid by means of direct debit of the post account or bank account) are to be notified to the Migrolcard Center in writing without delay.

8. Migrol AG is entitled to amend the «General Terms and Conditions of Business of Migrol AG for the use of the Migrolcard» and the related fees at any time. Amendments or additions will be announced in advance to the customer and are deemed to have been accepted if the customer does not complain in writing within a month.

9. The Migrolcard Center has the right to block Migrolcards at any time without prior notice to the cardholder, call them in, or end the contractual relationship with immediate effect if the contractual provisions are not adhered to or if the card is misused by the cardholder. In addition, the Migrolcard Center shall be entitled to charge reminder and blocking fees per card.

10. This contract is valid for a duration of one year as from the date of issue of the Migrolcard, and is automatically renewed for one more year unless it is terminated in writing two months before the end of the contract. The Migrolcard is valid until the end of the month and year indicated on it. In the regular course of business and without an express indication by the cardholder, the Migrolcard is automatically replaced by a new card before the end of the expiry date indicated on it. On termination of the contract the card will be sent back unsolicited to the Migrolcard Center.

11. The usage of the Migrolcard requires the acceptance of these General Terms and Conditions towards Migrol AG. Should individual provisions of this contract be, or later become, incomplete or legally invalid, the validity of the remaining provisions remains unaffected by this. In such a case, the parties undertake to replace the relevant provisions by valid provisions that correspond to the original purpose. The agreed conditions are to be treated as confidential by Migrol AG and the customer. The parties undertake to comply with the stipulations of data protection law.

12. The present «General Terms and Conditions of Business of Migrol AG for the use of the Migrolcard» shall also apply to any additional cards, as well as to the purchases carried out using them. The principal cardholder shall be liable for any liabilities incurred.

13. The present version of the «General Terms and Conditions of Business of Migrol AG for the use of the Migrolcard» can be inspected at any time on the Internet at [www.migrol.ch](http://www.migrol.ch).

14. Swiss Law shall apply. **The place of fulfilment and the sole place of jurisdiction shall expressly be Zurich.**

### Note regarding data protection

The cardholder takes note that his/her personal data, e.g. name, company name, and address, will be collected, stored and used by Migrol AG and its contractors (Card Center, computer centres) for the purpose of implementing the contract. Migrol AG undertakes to monitor the contractor accordingly. Contractors may also be companies associated with Migrol AG. The general contractual and purchasing data may be passed on to Migrol petrol station operators for the purpose of customer care. The Migrolcard Center or its representative is entitled to obtain the information required for the creditworthiness check and the implementation of the contract from the relevant places, e.g. government offices, banks, public offices, credit inquiry agencies and the Centre for Credit Information (ZEK) and the Information Office for Consumer Credit (IKO). The cardholder expressly consents to Migrol AG accessing customer data for this purpose and to its using external and internal rating procedures for assistance in reaching its decision. Moreover, Migrol AG may commission third parties to collect claims, or assign the claim to third parties. The cardholder allows Migrol AG to use customer data – in particular the postal and email address and telephone number – for advertising purposes as well as within the framework of market and opinion research for its own or other products of the Migros Group. Personal data will be treated in strict confidence and not passed on outside the Migros Group and the third-party companies commissioned with the implementation and enforcement of the contract.
